ABOUT H3

One team for your whole digital business

Since 2010 we have built software that actually helps the business using it, and we stay with our clients long after launch.

OUR VISION

Technology every business can rely on

Great software for any business, anywhere, without a large tech team of its own.

OUR MISSION

Build it well, run it well, stay after launch

Solve real problems, explain things plainly and keep supporting clients after go-live.

WHAT WE DO

Development, design, marketing and teams

Pick one service, or let one team run the whole thing for you.

Development

Websites, stores, apps and systems, built to last and supported after launch.

- Shopify development
- Websites
- Web apps
- Mobile apps
- Ecommerce
- ERP solutions

Design

Brands and screens people remember and find easy to use.

- UI/UX design
- Brand identity
- Website and store design
- Store revamps
- Shopify themes
- Content and visuals

Marketing

More of the right visitors, and more of them turning into customers.

- SEO
- Google Ads
- Meta Ads
- Social media
- Website optimization
- WhatsApp and SMS campaigns

Cloud, voice and AI

The systems behind the scenes that keep a business talking and running.

- Cloud services
- Voice services
- WhatsApp Business API
- AI automation
- Systems integration
- Support and maintenance

Staff augmentation

Experts who join your team full time. We handle hiring, payroll and equipment.

- Developers
- Shopify and ecommerce
- Designers
- Marketers
- Sales
- Customer and tech support
- Cloud and DevOps
- ERP specialists

- ✓ You interview everyone first
- ✓ We handle hiring, payroll and equipment
- ✓ Free replacement if it is not a fit

SHOPIFY SELECT PARTNER

A Shopify Select Partner, and an app maker too

From a first store to Shopify Plus, for brands in the US, UK, Europe and beyond. We publish our own apps on the Shopify App Store, so we know the platform from the inside.

RESULTS

What our work did for clients

Numbers confirmed by the clients themselves, from our case studies.

94%
orders confirmed before dispatch

ZENVY

BEAUTY, SPAIN

WhatsApp order confirmation and support in Spanish, with an AI agent.

-68% "where is my order?" messages

+38%
more delivered orders

RONiN

MOBILE ACCESSORIES

Every COD order confirmed automatically before it ships.

-42% return-to-origin rate

93%
orders confirmed before dispatch

K-Linen

HOME TEXTILES

Robo calls first, WhatsApp second, so nothing ships unconfirmed.

-46% refused COD parcels

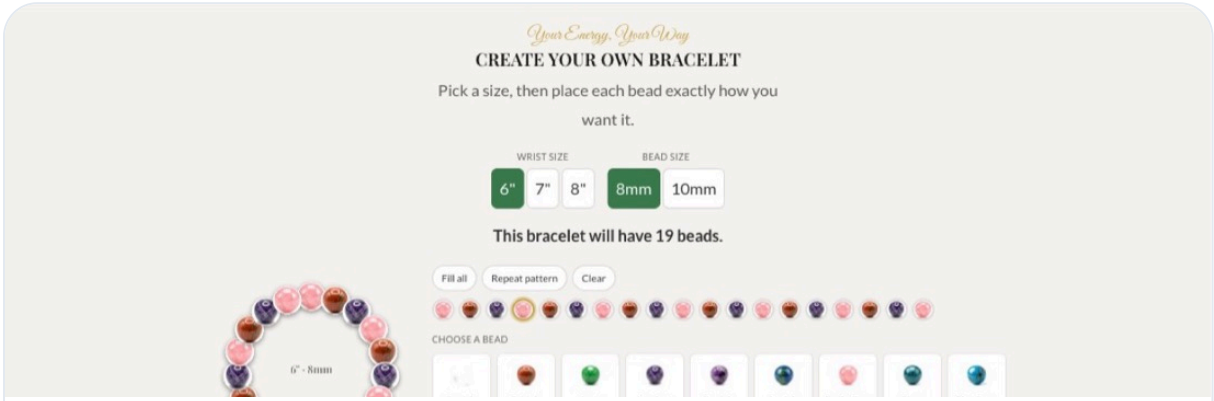

+3%
delivery rate on COD orders

SNAAPLET

BEAUTY, SPAIN

COD confirmation and delivery updates on WhatsApp.

-20% refused and returned parcels

EarthySoul Elements, United States
